Letter of Recommendation for GLASSCON (Façade Engineering, Consulting & Contracting)

Dear Sir/Madam,

This letter recognizes and recommends GLASSCON for its great commitment to providing high level Façade engineering & contracting services.

In our capacity as a real estate consulting and management company, ARBITRAGE was pleased to work with GLASSCON as a Façade Expert for the project 5+ stories Building in Aigialias & Fragkokklisias in Athens/Greece.

GLASSCON has extensive expertise in customized building envelope projects, offering solid and cost-effective solutions within strict time schedules.

You may consider GLASSCON as a reliable top pick for your Façade Works.

Sincerely,

George Vitoulas
Partner, Head of Planning & Development Management
